

NEW Carpool Dismissal 2009-2010

Welcome to Wakefield Elementary 2009-2010 carpool. If you have done carpool at Wakefield in the past, notice there are changes this year.

- Each family will receive 2 copies of a carpool number. One should be displayed from the rearview mirror of the car. If the carpool tag is not displayed in the window of the car, the person picking up your child will be asked to proceed to the parking lot and come into the school office to sign out the child/children. Please bring your picture ID.
- Students will be dismissed from the Media Center and called by their family carpool number. Carpool numbers and pickup locations will be displayed in the Media Center as the cars approach the carpool loop. Students should sit quietly and observe the display and listen for their number to know when they should line up to leave the media center. They should be waiting for you at their spot when you pull up.
- We will use the same 5 spaces for pickup that we have used in the past. There will be signs designating each pickup location. Hopefully this will help the students find where they are to wait for their car.

We understand whenever there is a change in procedure, there may be delays until all the details have been 'ironed out'. We appreciate your cooperation and patience during this acclimation time.
